

PHASE ONE WINNER

Kevin Wilson is the delighted winner of the highest value prize ever in our recent competition

The opportunity to win a Phase One P20 digital camera back, complete with Contax 645F camera, ensured a hotly contested competition for this highly desirable prize.

Thanks are due to all of you who took the time to enter – and to Phase One's Eric Joakim, who was most enthusiastic throughout and went to great lengths to make loan equipment available throughout the regions. We hope you all enjoyed the opportunity to use one of the very best digital camera backs available – the Phase One P20.

Most entrants would have used the loan Phase One back straight from its flight case, proving how easy to use the system really is.

Judging took place at Jay Myrdal's

studio on 19 October 2005. The four judges – **Norman Childs** FBIPP, **Adam Woolfitt** FBIPP, **Michael St Maur Sheil** and **Jay Mydal** – were all impressed with the high quality of the entries, and when it came to selecting the winner it was a very close call – so close, in fact, that they ‘bullied’ Eric into providing two additional runners-up prizes.

Many congratulations to Kevin Wilson, whose entry wins first prize and is reproduced on this page.

Congratulations also to our two runners up, **David Young** of Contrast Photography and **Peter O’Keefe** of Titchfield Studios, both of whom win a

voucher worth £250 off a future purchase of a Phase One digital back, should they choose to purchase one.

Eric Joakim presented Kevin Wilson with his prize at his studio in Wimborne, Dorset, on 7 November.

“Like so many other social photographers, my background is medium format,” said Kevin, “But in going digital I have had to use 35mm-style cameras. Although good, I am constantly coming up against the limitations of the equipment, so I am delighted that I can now shoot digitally to a higher quality and performance level with medium format once again.”

Thanks to Eric Joakim, UK Regional Sales Manager, Phase One, for arranging this competition and the magnificent prize. Eric may be contacted by phone on +44 (0)1903 741821, mobile+44 (0)7970 746755, or by email at EJO@phaseone.com. The Phase One website is at www.phaseone.com
